<sup>P</sup>Pathways courses

Seats in elective courses are not guaranteed.

A minimum GPA of 2.0 in all courses taken to fulfill the minor is required. A faculty advisor in the Office of Academic Programs will serve as a counterpart to the student's major advisor. Students choosing the minor in Integrative Health and Wellness will register with the Office of Academic Programs in the College of Agriculture and Life Sciences, 1060 Litton-Reaves Hall. This will enable the college to provide any pertinent assistance, materials and information to the student. Some courses listed on this checksheet have prerequisites, please consult the University Course Catalog, or check with your advisor.
