Undergraduate Information
II. Where is Science?

North End Center, Suite 4300, (MC 0405)
300 Turner Street NW, Blacksburg, VA 24061
Abbreviation: NEC TR
Latitude: 37.2335 | Longitude: -80.4205
III. Our Programs

All of our Programs are:

• State of the Art degrees
• Emphasize on life-long learning
• A Liberal Arts-approach to Science education
Invents & Living-Learning Communities

- Make Virginia Tech feel smaller!
- Interdisciplinary, interactive learning environment designed to help students succeed in first-year science courses.
- Participants live together, creating a convenient environment for group studying and social interaction.
Curie LLC

Physical and quantitative science majors:

- Chemistry
- Computational Modeling and Data Analytics
- Geosciences
- Mathematics
- Meteorology
- Physics
- Statistics

Take similar courses according to major requirements along with a 2 credit hour seminar course
Da Vinci LLC

Biological and Life Sciences Majors

• College of Science:
  • Biological Sciences
  • Neuroscience
  • Nanoscience
  • Microbiology

• College of Agriculture and Life Sciences

• College of Natural Resources and Environment

Members enrolled in common courses of General Chemistry, Principles of Biology, and First-Year Experience Seminar.
Scieneering is a program of interdisciplinary studies and research at the intersection of science, engineering and law for:

- Rising Sophomores (or Juniors)
- a Science or Engineering discipline

Scieneering students:

- Complete a minor in Scieneering
- Participate in ≥ 1 semesters of interdisciplinary research at the intersection of science and engineering, in a lab outside home college

1-credit Intro to Scieneering Course is available for interested students.
Science, Technology & Law

Courses:
• Legal Foundations of Intellectual Property (Spring)
• Global Aspects of Intellectual Property Law (Fall)
• Patent Law (Fall)
• Current Topics in Science, Technology & Law (Spring)

Minor in Science, Engineering & Law:
• Developed under the Howard Hughes Medical Institute Science Education Grant
The ISC is an 8-credit per semester course spanning the first four semesters that integrates foundational biology, chemistry, physics, mathematics, statistics in a team-based, active learning environment.

The program focuses on building higher order thinking skills.
Orientation Quiz

Your Score = Number of TRUE Answers

- 1-5  Probably will be well adjusted.
- 5-10  Will need to focus on time management.
- 10+  Will need to seriously focus on priorities and time management!
- 20-  It is going to take a LONG time!
IV. Your Academic Success
Starting Off Right

- Go to class
- Everyday
- Ask for help
- Only Once
- Ahead of time
- Eat right, exercise, and get enough sleep
An Important Question for YOU!

Students,

Who is the person most responsible for your Academic Success?

I am!
V. What is Advising?

- Advising is a collaborative process between student and advisor leading to the exchange of information that encourages the student to make responsible academic, career, and personal decisions.

- We advise, you decide.
Advising Process
All Types of Advisors

- Summer Orientation Advisor
- Faculty Advisor
- First Year Experience Course
- Academic Plan for graduation
- Academic and Career advising
- University policies and procedures
- Career Advisors
OHPA

Office of Health and Professional Advising

• Any student can use the services of OHPA.

• Located in the Smith Career Center.

• Health Professions Coordinators serve in addition to your departmental academic advisor.
Student's Use of Time

- High School
  - Class: 35 hours
  - Study: 10 hours
- College
  - Class: 20 hours
  - Study: 35 hours
Where Does My Time Go?

- Class Time: 15 hours
- Study for Class (Optimum): 45 hours
- Eating (2 Hours daily): 14 hours
- Sleeping (7 Hours daily): 49 hours
- Personal Care (2 Hours daily): 14 hours
- Total: 137 hours
- Hours per Week: 168 hours
- Available Time: 31*
The Time of Our Lives

- Education
- Career
- Family
- Social
- Spiritual
- Health
- Leisure
- Self
College Student’s Time

- Class: 27%
- Study: 17%
- Sleeping: 30%
- Eating: 8%
- Personal Care: 9%
- Left over hours: 9%
Parent’s Time

- Sleeping
- Working
- Eating
- Looking for things I had just a minute ago
VI. Credits and Requirements

• A word about your AP, IB and Dual Enrollment credits.

• Some majors may require you to repeat AP or IB work at Virginia Tech.
What Does it Take to Graduate from Virginia Tech?
What do you need to Graduate?

- 120 Hours Credit
- Approximately 90 hours of Required classes (Major Requirements and Curriculum for Liberal Education)
- Approximately 30 hours for “Free elective”
- Opportunities for Double Majors
- Opportunities for Minors
- Take more hours, receive additional degrees
Curriculum for Liberal Education

• The CLE Comprises 25% - 30% of credits toward your degree.
• a.k.a., Pathways
• 7 Required Areas of Study
• Many of you have already completed the CLE
• +Foreign Language Requirement.
Curriculum for Liberal Education

Area 1: Writing and Discourse, Freshman English 6 Credits

Area 2: Ideas, Cultural Traditions, and Values, Humanities 6 Credits

Area 3: Society and Human Behavior, Social Science 6 Credits

Area 4: Scientific Reasoning and Discovery, Natural Sciences 8 Credits

Area 5: Quantitative and Symbolic Reasoning, Math & Science 6 Credits

Area 6: Creativity and Aesthetic Experience, Theater, Art, Music 3 Credits

Area 7: Critical Issues in a Global Context 3 Credits
Transfer Credits

If you have transfer credits:

- We are processing transcripts and you should be able to see all credits by the beginning of school.
- Check on Hokie Spa.

If you have any Dual Enrollment Credits:

- We must have a transcript from the community college or College.
- Any transcript, AP or IB documentation should be placed in the box up front. You will get it back.
Repeating Credits

You may wish to repeat transfer credits if...

- You want to repeat a course for better understanding.
- Your department suggests repeating a course at Virginia Tech.
- Your department requires a specific course which partially duplicates a course on your transcript.
- If you duplicate a transfer or AP course with a course from VT your transfer credit will be removed.
Foreign Language Completion

• If you have 3 or more years of the same foreign Language in H.S., you have completed the foreign language requirement.

• If you have 2 years of **two different foreign languages** in High School... please complete the form.
Regarding Foreign Languages

• Your Hokie Spa currently will say **Foreign Language Requirement - Not Fulfilled**.

• This fulfillment of your requirement has to be added by hand to your record.

• It will be corrected sometime during the fall semester.
Academic Eligibility

2.00 GPA
Mid-Semester Grades

Fall Semester Only
Graduation with Distinction

3.8 and Above  Summa Cum Laude
3.60~3.7999  Magna Cum Laude
3.40~3.599  Cum Laude
2.000000  Thank You Laude!
Choosing your Major

• Degree Requirements for your major!
• It is your choice!
• Many opportunities for exploration of different majors at Virginia Tech
Changing your Major

- Change of majors are not allowed during summer orientation.
- What if you change your major in the fall or later?
- Core Curriculum is similar for most majors.
- What about double majors, minors?
Your Academic Record

Authorization for

Release of

Academic Information
FERPA Release

Virginia Tech Information System

FERPA Disclosure

The Family Educational Rights and Privacy Act (FERPA) requires that you authorize the university prior to release of any academic record information to a third party. Completion of the following online form allows you to approve disclosure of your academic record information to parent(s) and/or guardian(s). The disclosure will remain valid until you remove the authorization via the add/delete button. It is important that you create a 8 character PASS CODE (alpha numeric) to be shared with your parent and/or guardian. The parent/guardian must disclose the pass code to the appropriate university official prior to receipt of any of your academic record information.

Tax Dependent? It is important to note that the Commonwealth of Virginia requires tax dependent students attending Virginia’s colleges and universities to release academic record information to their parents. This requirement is allowable within the guidelines of FERPA. If you are a tax dependent of your parent or guardian, please denote that information by checking "YES" in the question column, "Are you a Tax Dependent?" Remember to complete the 8 character PASS CODE (alpha numeric) information as well.

Refer any questions relative to this process or laws should be directed to Wanda Hackins Dean, University Registrar, regsrvc@vt.edu.

Return to Registration Status page.
VII. Career Planning

What are your plans after Virginia Tech?

• Who is going on for Graduate School?
• Who is going directly into the work force?
• Who is moving back home?
Types of Career Related Experience

- Cooperative Education
- Internship
- Summer Job
- Part-time Job
- Volunteering
- Externship Program
Career Services

• Seminars/Workshops
• Job Search
  Business Correspondence - Resume, Cover Letters, etc.
  Interviewing Skills
    Mock Interviews, Interview Stream (video interviewing)
    Dining Etiquette (fee charged for meal)
• Internship/Cooperative Education Opportunities
• Job/Career Fairs
  Fall Focus Career Fair - October
  Connections Job Fair - February
• Elective Class (UNIV-2004 - “Exploring Careers” 3 cr.)
• Employer Panels (on Federal Agencies, Law Enforcement, Pharmacy)
How to Get Started…

Start your search early (Fall Semester)

• Attend Resume Writing Seminar
• Visit Career Services
  • Tailgate Party Open House – Aug. 28th
• Research Interesting Companies
• Attend Career Fairs
  • volunteer to help-meet employers and work with staff

Talk with professors

Search for Alumni Contacts

• Hokie Nation Network

Sign up in Hokies4Hire on www.career.vt.edu
Getting Hired…

What employers will be looking for in full-time recruits

• Communication skills – verbal and written
• Strong Work Ethic
• Teamwork skills
• Motivation/Initiative
• Analytical & critical thinking skills
• Interpersonal skills
• Computer Skills
• Flexibility/Adaptability
• Detail Oriented
From our Graduates...

Would you do things differently in your job search?

• 67% of students surveyed from the College of Sciences said yes to the above question, answered:

  • “I wish I had”...

  1. “Learned more about graduate and professional schools earlier” (49%)
  2. “Received more experience related to my major or career goals” (63%)
  3. “Learned more about career options and/or learned earlier” (51%)
  4. “Started my job search earlier” (40%)
Research, Just for YOU

• Our Goal - To be in the top 30 Research Institutions
• Exposure to research scientists in your field of expertise
• For You - Undergraduate Research and independent study
• Graduate Classes for qualified seniors
VIII. The University and You

Ut Prosim
Principles of Community

- Part of VT culture that is just as important as Ut Prosim or the Hokie Pokie.
- Featured in most campus publications.
- Say that we value multiculturalism and expect members of our community to treat each other with Hokie Respect.
- Dean’s office fully supports the Principles of Community.
You Should Know

Hokie Pokie
IX. To Your Success!

- Listen to your advisors.
- Develop your study strategies before increasing your load.
- Attend to the mix of courses.
Be Responsible About

• Dropping and adding classes, you may not be able to get back in a class if you drop it.

• Make sure your bill is paid on time or your classes will be purged.

• Leave your dorm room key.

• Pick up your Hokie Passport and software bundle before you leave campus - Torgerson Hall.

• Turn in your medical forms - McComas Building.
Mark your Calendars

Fall Orientation
- Sunday August 21st 1:00 PM Squires Commonwealth Ballroom

Some topics to be covered
- Strategies for Success
- Important Deadlines for Fall
- Academic Eligibility, Dropping a course, Course Withdrawal, Grades
- Where to go for help
Keep up your motivation

- Monitor your academic progress often.
- Graduation will come before you know it.
- Have friends who know where they are going and can help you.
- Look for support and encouragement from your friends and family.
- Look to scholars and mentors for advice.
Student Resources

- Canvas: 2016 COS Orientation
- Log into Canvas with PID (2-factor)
- “Like” VT Science Students on Facebook
- “Follow” @VTSciStudents on Twitter
What We expect of YOU

• Learn how to navigate:
  Canvas
  HokieSpa
  Important VT websites

• Pay attention to detail

• Find information on your own

• Be ahead of the game!
Today!

- Turn in the boxes in the lobby:
- Foreign Language Form (if needed)
- Any Transcript Documentation

Please check with your Instructor BEFORE the exam to make sure this date and time is correct.

A student with conflicting examinations, or with more than two officially scheduled examinations in twenty-four hours may reschedule an examination with permission sought by the student from the student’s college dean. No later than 3 weeks prior to the start of Final Examinations and by arrangement with the appropriate instructor. No fee will be charged.

Examinations for one credit hour courses are scheduled by the instructor to be held in a regular class meeting before these close. The instructors of classes which do not follow the University’s regular class schedules such as W, F classes must schedule their exams through the Office of the University Registrar and convey this information to their students.
Before You Leave

1) Know Your PID and Password.
2) Have a copy of your Class Schedule.
3) Know your Departmental Contact.
4) Make sure we have your final transcript.
5) (Check HokieSpa)
6) Take a Campus Tour.
7) Have a great Visit.
